

## How to Unity Challenge?

### Step One: Introductions

Both people introduce yourself .

Example: I'm John Smith and I'm Irish-American.  
I'm Pocohantas and I'm Native America

### Step Two: The Hug

Tell them you are taking the change to hug someone different and hug. This is our vision of America – Remember no politics!!!! Tell people why you want to spread unity.

Example: We are taking the Council for Unity, Unity Challenge to hug someone different. Bringing people together is the real promise of America. There should be no political agenda associated with this event. This is all about America and our need to come together as one people.

### Step Three: The Call to Get Involved

We want to get people to do something or donate!!!

Example: You can either donate to Council for Unity or do one of ideas to bring unity to your community the link with this video.

### Step Four: Get others to do the Challenge

Both people challenge others to do the challenge.

Example: I challenge Ben Franklin, George Washington and my Mom to do the challenge. I challenge Betsy Ross, Tom Edison and Alex Bell to do the challenge
