COUNCIL FOR UNITY

REACH MINDS CHANGE LIVES

WHO WE ARE

Council for Unity (CFU) is dedicated to fostering unity, empowering individuals—especially youth—and reducing violence through its innovative programs. By promoting leadership and collaboration, CFU has positively impacted communities and schools nationwide. This report highlights CFU's achievements over the past year and its ongoing commitment to creating safer, more supportive environments where young people can thrive.

Members say...

Academic Success

100% graduation rate achieved by students who engaged in CFU programs for two or more years, with 75% advancing to college or meaningful employment.

90% of students in CFU leadership programs report increased confidence in resolving conflicts peacefully.

70% improvement in communication skills, particularly in active listening and assertive communication.

Parent/Educator Evaluation

90% of parents and educators observe improved conflict resolution, problem-solving, emotional regulation, and de-escalation techniques in CFU youth.

100% parents agreed that stronger communication and conflict-resolution skills helped their child navigate school environments more successfully, leading to better academic performance.

30% decrease in violent incidents and disciplinary actions in Schools implementing CFU programs .

OUR ORGANIZATION

CFU programs operate in 40+ classrooms, community centers, alternative learning environments, and correctional facilitates across the U.S. We collaborate with school stakeholders, law enforcement agencies, local governments, and educators to strengthen community ties and create sustainable change.

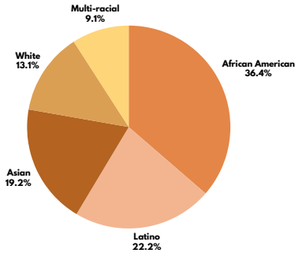

CFU ensures long-term success through strong engagement with families and community stakeholders. CFU alumni continue to serve as mentors and role models, contributing to positive change in their communities.

Demographics

CFU BY THE NUMBERS

800+ students participate in school-based, after-school, and weekend programs, developing leadership skills and fostering a culture of respect.

Ways CFU students Improve....

LOOKING AHEAD

Council for Unity remains committed to expanding its reach, enhancing its programs, and fostering positive change by:

- Expanding CFU programs to additional schools and community centers.
- Strengthening partnerships with community groups and civic organizations to further reduce violence.
- Increasing alumni engagement to build networks of support.
- Enhancing program capacity to sustain and grow CFU initiatives.

Conclusion

Council for Unity continues to be a beacon of hope and transformation for individuals and communities nationwide. Through our commitment to unity, youth empowerment, and non-violence, CFU has made a lasting impact. We look forward to furthering our mission and empowering more individuals to create a more inclusive and peaceful society.
